

KINGA LINGERIE

I'TS ALL ABOUT BASIC LINE

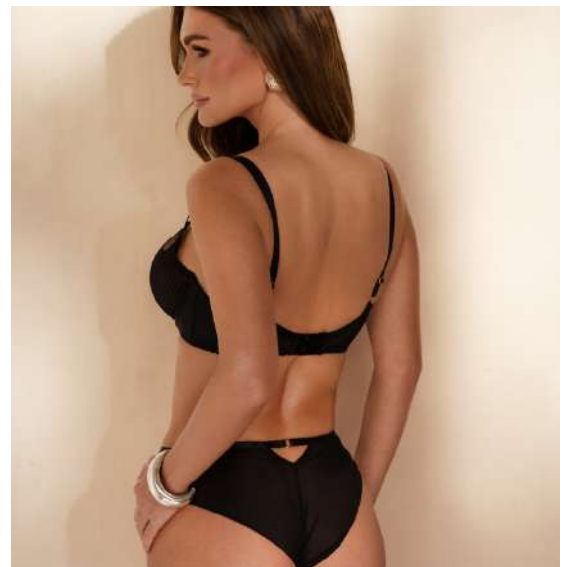

In this collection, time flows more slowly—and in your favor. A story of lingerie woven from natural colors and familiar forms. Kinga Lingerie has been surprising for years with innovative solutions and the character of its details. Will this collection be noticed? One thing is certain: it will be remembered.

con. 205- collects, lifts and closes the breasts
con. 813- minimizer
con. 611- removable insert to compensate for asymmetry, conceals dimples in the upper part of the bust, gathers the bust to the center, low bra bridge, very round breast shape effect
con. 314- removable insert to compensate for asymmetry, masks dimples in the upper part of the bust, lifts the bust up, perfect post-pregnancy bra
con. 206- removable insert to compensate for asymmetry, lifts the bust up, low bra bridge
con. 810- dedicated to clients with significant asymmetry, it masks the dimples created after lifting the flabby breasts. Perfect for empty breasts. Closes the breast.
con. 811- dedicated to clients with significant asymmetry, it masks the dimples created after lifting the flabby breasts. Perfect for empty breasts.
con. 422- stiffened bra, but covered with lace. This effect allows you to lift and direct the breasts inwards and mask all shortcomings. This bra is for women who value emphasizing large, well-shaped breasts.
con. 812- soft bra with thermally embossed cup, quick-drying lining. Gives a natural effect. Perfect for women with nipple hypersensitivity.
con. 212- bra with a thermally embossed cup, gathers the bust and gently rounds it. Everyday bra
con. 209- underwired bra. Comfortable and non-pressing. Adjustable straps at the front for women who need such a solution. ideal for people with disabilities, but also for physically active people. An alternative to a bra for breastfeeding mothers.
con. 307- a bralette bra that perfectly masks imperfections or dimples in the upper part of the bust. She collects and lifts her breasts up. ideal for flabby and inelastic breasts.
con. 854- dedicated to clients with significant asymmetry, it masks the dimples created after lifting the flabby breasts. Perfect for empty breasts. Closes the breast.
