SURF READY SWIM TOPS

Perfect for surfing. Designed for sun protection.

TW3

Our women's sport tops are designed for sunny days by the water, combining comfort, style, and practical protection. Available in two fresh colours — raspberry pink and white — they create a clean, feminine look that pairs perfectly with bikini bottoms, swim shorts, or a full beach outfit.

Choose between a short-sleeve version for a light summer feel or a long-sleeve version for extra coverage during long hours outdoors. The soft, flexible fabric sits comfortably on the body, allowing easy movement whether you are relaxing on the beach, walking by the coast, or spending the day near the water.

These tops are ideal for active moments such as surfing, paddleboarding, swimming, or other seaside activities. The sun-protective material helps shield the skin from strong rays, making each piece both stylish and functional. Elegant, sporty, and easy to match, they are a perfect addition to every summer wardrobe.
